

SIM Card Connector

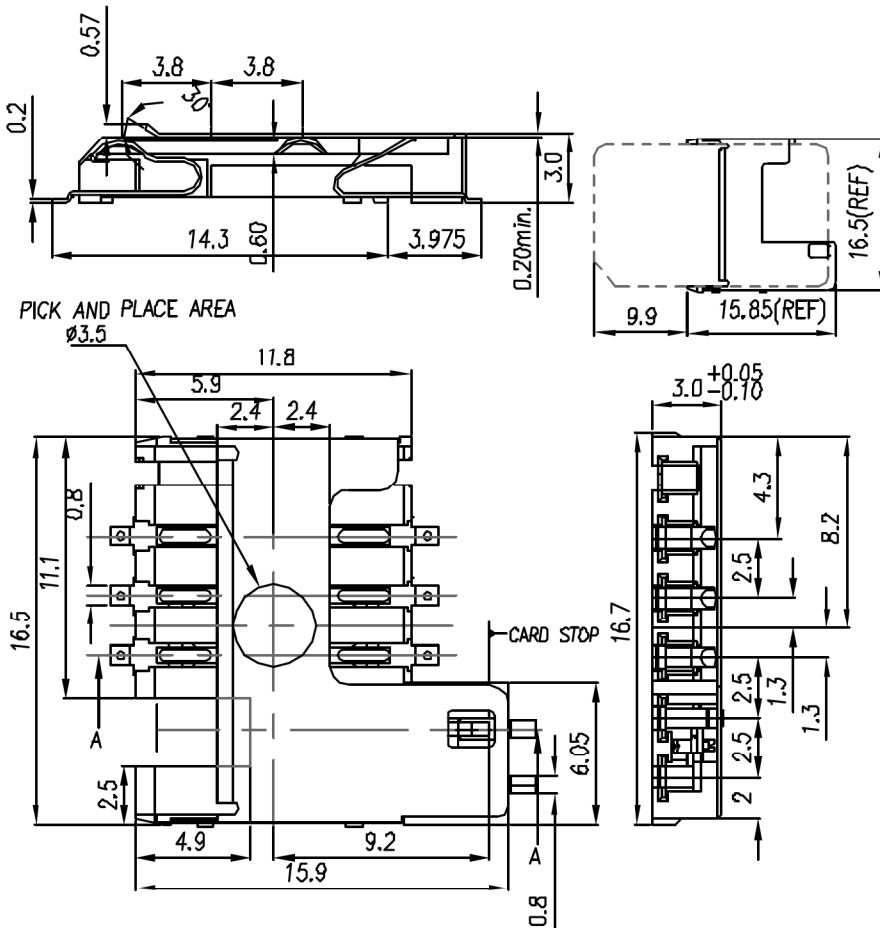

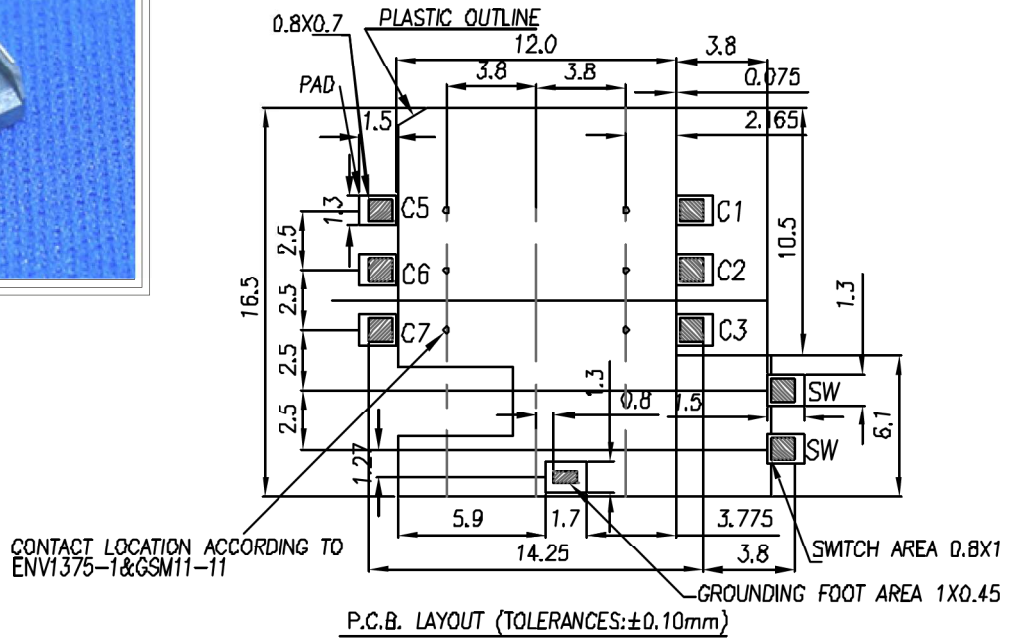

With Switch & Metal Cover

ISO14001 QC080000 ISO14001 QC080000 ISO14001 QC080000 ISO14001 QC080000 ISO14001 QC080000 ISO14001

Part No:

SIMMP-00601B009-G

Specification:

Withstanding Voltage: 500V AC Max
With 1 Minute

Insulation Resistance: 1000MΩ min
Ratings

Voltage : 5 Volts Max

Current : 10 mA Max (per pin)

Operating Temperature : -40°C ~ +85°C

Normal Force: 0.25N ~ 0.50N (per pin)

Insertion Cycles: 20000 cycles

Application:

SIM Card Use

Material And Finish:

Contact: High performance copper alloy
Housing: LCP, UL94V-0 Color: Black
