

Symbol:	PLCC-28-SMD
Manufacturer:	NINIGI
Product groups:	PLCC Sockets

Product specifications

Integrated circuit socket type:	PLCC
Number of pins:	28
Contact material:	phosphor bronze
Contact plating:	tinned
Operating current max.:	1 A
Max. contact resistance::	30 mΩ
Soldering temperature:	260°C / 10 s

Electrical mounting: SMT

Additional information

Gross weight: 0.002 kg
