

STAINLESS STEEL PUSH BUTTON SPDT 1NO 1NC - GREEN RING - 19mm

R1900G

Specifications

- SPDT - 1NO 1NC
- color: green
- connections:
 - NC (normal closed): 1-2
 - NO (normal open): 3-4
- power supply LED ring: 12VDC
- type: (on)-off
- operating temperature: -20°C ~ +70°C
- operating humidity: 45 ~ 85% RH
- insulation resistance: > 1000M ohms
- contact resistance: < 50M ohms
- contact material: silver alloy
- mechanical life: 1 000 000 cycles
- electrical life: 50 000 cycles
- dielectric strength:
 - between terminals of the same pole: -
 - between terminals of different poles: 2000VAC
- body material: stainless steel
- pressure: 5.5N
- IP rating: IP65
- max. voltage:
 - -
 - 230VAC / 5A (0.5A for R1800 series)
- mounting hole: Ø 19mm
