

Item No. : SN73850A

RoHS : **RoHS**

Description :

Anti-static elastic wrist strap

PU coil cord 6ft

Color:blue

Specifications

Wrist strap type: Elastic wrist band with grounding cord

Width: 19mm

Resistivity:

Wristlet: 80~10E3M Ω /sq

With grounding: 1x10E6 Ω \pm 5%

Grounding cord: OD 2.3mm and one meg resistor is built into the wristlet for safety and optimum static protection.

Decay time: Less than 0.05 Sec.

Shelf life: Shall be capable of being stored for at least three(3) years without deterioration of its performance.

Materials

Elastic nylon combined with conductive yarn.

This highly conductive band is corrosion-resistant and does not harm to skin.
